The undersigned certifies that the references being provided are submitted within three months of the filing date of the above-referenced patent application. Accordingly, Applicants maintain that in accordance with 37 CFR 1.97(b)(1) no fee is required to be paid upon the filing of this Information Disclosure Statement.

A PTO 1449 Form listing the references, along with copies of the references, is enclosed. Applicant respectfully requests that the Examiner consider the listed documents and indicated that they were considered by making appropriate notation on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art". If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Respectfully submitted,
